In our "Steak-House" we do a "top notch" sit down dinner, with complete table service, cloth napkins, and the works. Our entertainers are the waiters. On the back panel of the enclosed brochure there is a picture of the beautiful steakhouse dining room. **In the "Steak House" we have complete bar service as well.**

Before dinner your group may choose to have a cocktail hour inside of our beautiful Village Assembly Hall. Bartender, Chips with Chili Con-Queso and popcorn are included in the rental of the hall. Contact us for prices for a Host Bar or Cash Bar.

For dinner, we serve our delicious 13OZ KANSAS CITY STRIP STEAK. Flame grilled trout, and BBQ chicken are available for those on a restricted diet. We also offer BBQ beef brisket and BBQ pork ribs. Either entree is complimented with a crisp dinner salad, served with our own homemade, honey-mustard dressing. We round out the meal with a foil wrapped baked potato, Flying W red baked beans, and the very best tasting cowboy biscuits you have ever

eaten. We serve delicious honey butter to go along with those great biscuits.

After dinner, you are entertained by the **"Flying W Wranglers."** No brag just fact, this is the very best western stage show in the world. The Wranglers specialize in beautiful 3 and 4 part vocal harmonies about the romantic American Cowboy. The Wranglers voices are outstanding and their **family oriented** western humor is very entertaining. They also rank among some of the finest musicians in the country, all playing several different instruments.

The "Steak-House" is open March, April, and May and again in October, November, and December. We have a 5pm or 8pm dinner and show each Friday and Saturday. (On either of these settings you may choose to arrive an hour earlier for cocktails). **On evenings other than Friday or Saturday, private parties can be arranged.**
